

REACH REGULATION

ROCKWOOL fibres have been registered in accordance with the requirements of REACH. The overall conclusion according to the REACH regulation is that there are no hazardous classifications associated with these fibres in respect to physical, health and environmental considerations.

REACH registration of Rockwool Fibres: Reference No. 01-2119472313-44

REACH CANDIDATE LIST OF SUBSTANCES OF VERY HIGH CONCERN (SVHC)

The REACH regulation places an obligation on suppliers to notify recipients and consumers if the materials they supply contain any of the REACH Candidate List of Substances of Very High Concern (SVHC) in concentrations $>0.1\%$ by weight.

The stone wool insulation products manufactured by ROCKWOOL Limited do not contain any of the REACH Candidate List of Substances of Very High Concern (SVHC) in concentrations $>0.1\%$ by weight.
